

1     REMARKS

2             All of the changes suggested by the examiner have been made to allow this can to issue. Any  
3     amendment necessary to address other inventions will be addressed in a subsequent application if  
4     necessary.     In order for the current patent to issue, the allowed claims have amended to properly  
5     depend from a previously allowed claim.

6     CONCLUSION

7             For all of the reasons advanced above, Applicant respectfully submits that the application is  
8     in condition for allowance and that action is earnestly solicited.

9             No additional fee is believed necessary.

10            The commissioner is hereby authorized to charge any additional fees which may be required  
11     for this amendment, or credit any overpayment to Deposit Account 06-2129 in the name of Gregory  
12     M. Friedlander.

13            In the event that an extension of time is required, or which may be required in addition to that  
14     requested in a petition for an extension of time, the Commissioner is requested to grant a petition for  
15     that extension of time which is required to make this response timely and is hereby authorized to  
16     charge any fee for such an extension of time or credit any overpayment for an extension of time to  
17     Deposit account 06-2129.

18                             Respectfully submitted,
